
Subject: Environmental Policy

Prepared by: D.Bedford

ENVIRONMENTAL POLICY

Superform Aluminium is a manufacturer superplastically formed sheet aluminium components.

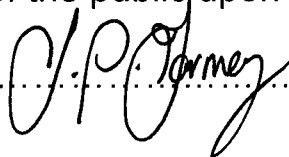

We recognize that all human activities have an impact on the environment, and it is our policy to reduce the impact of these activities, to reduce our dependency on non-renewable resources, and employ environmental considerations in business decisions.

The company is fully committed to the continual improvement of its environmental performance, and to pollution prevention, through its Environmental Management System.

Superform shall:

- Achieve and maintain registration to BS EN ISO 14001: 2004.
- Comply with all environmental legislation, regulations, and other requirements relevant to the business.
- Set and review all objectives and targets.
- Train and involve its employees and contractors in environmental requirements.
- Seek to minimize wasted energy, and raw materials.
- Use recyclable packaging where practicable.
- Document implement maintain and communicate to all employees
- Publish details of the company's environmental performance which will be made available to any member of the public upon request.
